Dear Sirs

**Anghami Inc.**

We act as legal counsel to Anghami Inc., an exempted company incorporated in the Cayman Islands with limited liability (the "**Company**") for matters of Cayman Islands law only. The following is a statement of certain matters of Cayman Islands law and we have assumed that there is nothing under any other law or regulation that would affect or vary the following statements.

We understand from the Company's legal counsel as to matters of United States law that NASDAQ Marketplace Rule 5615(a)(3) provides (with certain exceptions not relevant to the conclusions expressed herein) that a Foreign Private Issuer may follow its home country practice in lieu of the requirements of the Rule 5600 Series, Rules 5250(b)(3) and 5250(d) and that Nasdaq Information Memorandum IM-5615-3 provides that a Foreign Private Issuer that elects to follow country practice in lieu of a requirement of the Rules 5600 Series, Rules 5250(b)(3) or 5250(d) shall submit to Nasdaq a written statement from counsel in such company's home country stating that such company's practices are not prohibited by the home country's laws.

Accordingly, we hereby inform you that the Company has informed us that it intends, and we have had sight of resolutions of the Directors of the Company resolving that the Company will, follow its Cayman Islands practices in lieu of the requirements of (a) the Rule 5600 Series of the NASDAQ Stock Market Marketplace Rules (with the exception of those rules which are required to be followed pursuant to the provisions of Rule 5615(a)(3)), (b) Rule 5250(b)(3) and (c) Rule 5250(d) of the NASDAQ Stock Market Marketplace Rules, which are in force and effect on the date of this letter (the "**Rules**").

Based on the above, we can confirm that:

- (a) the Company's practices with regard to these requirements are not prohibited by the Companies Act (As Revised) of the Cayman Islands (the "**Act**");
- (b) based on our review of the amended and restated memorandum of association and articles of association of the Company adopted by special resolution dated 1 February 2022 (together, the "**Articles**"), the Articles do not prohibit the Company from following its Cayman Islands practices in lieu of the requirements of the Rules.

For purposes of this analysis, we have examined the Act and the Articles, and such other legislation and regulation as we deemed necessary or relevant, as in effect (and published or otherwise generally available) on the date hereof.

The Company has advised us that, as required by Listing Rule 5615(a)(3), and as per resolutions of the Company's board of directors, the Company will disclose in its Form 20-F each requirement of the Rule 5600 series that it does not follow and describe the home country practice followed in lieu of such requirements.

This letter is addressed to and for the benefit solely of the addressee and may not be relied upon by any other person for any purpose, nor may it be transmitted or disclosed (in whole or in part) to any other person without our prior written consent.
